Dear Sir:

The official filing receipt has been received from the Patent Office in the above application.

There is an error in that the serial number of the Japanese priority application is incorrect as shown in red on the attached copy of the filing receipt. Reference is made to page 2 of the Combined Declaration & Power of Attorney initially filed in this application, as well as the title page of the published PCT application.

It is believed that no fee is due since the correction is not due to any error by the applicant and issuance of a corrected filing receipt is respectfully requested.

Respectfully submitted,
